Note that preliminary amendment filed on January 12, 2001 was not screened where applicant claimed priority for US application No. 09/313,385 in the first sentence of the specification and the examiner added US Patent No. for US application No. 09/113,385. The rejections were made after consulting with 1600 Biotech Specialist Brian Stanton and SPE 637 Gary Benzion. Primary Examiner, Ethan Hirschman suggests that the examiner do not make 102/103 rejection on claim 20.
